GREEK GYRO

Authentic Like The Old Times In Greece

Welcome to #GreekGyro

The World-Famous and beloved Greek Street Food is now in town and... just a click away! We are Dorotheos & Alexandros, two brothers born and raised in Greece!

Growing up we were always fascinated by our grandfather's love and devotion for his farm, located in Xanthi, a small town in Northern Greece. We can't even begin to count the unforgettable core memories we had helping with our family's farm and learning all the basics of sustainable and ethical farming. That's where our love for authentic Greek food, made with the best local and freshest ingredients began to grow.

After many years of experience in the Hospitality & Food Industry in Greece and in Europe, we decided to expand our business endeavors to the US, so as to spread our love for Greek food! Our search for the best Greek Gyro around quickly came to an end after realizing that we never actually managed to experience its authentic, mouth-watering flavor, that is a result of top-quality ingredients and knowledge of the traditional recipe.

And that's exactly why we are here!

Ingredients of the best quality, love for what we do and a continuous effort to offer you the best experience possible, are the keys that'll make our "Greek Gyro" your new favorite destination!

Our Project is 100% Online! We decided that in order to offer Top-Quality Food at the lowest cost possible, we'd have to minimize all of our costs and focus on the service quality of our small kitchens!

Καλι Ορεξι | Καλή όρεξη

(That's Greek for "Enjoy Your Meal!")
